

MOTION BY SUPERVISOR DON KNABE

March 28, 2006

On the night of December 2, 2005, 16 year old Casie Hyde was driving back with her boyfriend from a trip to her local In-n-Out restaurant. Casie never made it home. She was fatally injured when the car she was driving crashed into a power pole in the 2700 block of Manhattan Beach Blvd. in Redondo Beach. Her boyfriend was hospitalized with serious injuries.

Redondo Beach detectives are investigating this tragic car crash as a possible road-rage incident that may have also involved a black pickup truck or SUV that left the scene. However, to date they have received no viable clues regarding the incident and their investigation has proven to be most difficult.

ANTONOVICH	_____

Casie's family has offered a \$25,000 reward to prompt otherwise reluctant witnesses to come forward and provide information to identify those that may be responsible for this tragedy. Investigators also feel that now is the time to offer a reward as they have exhausted their leads in this case.

I, THEREFORE, MOVE that we offer a \$5,000 dollar reward for information leading to the arrest and conviction of the perpetrator(s) of this crime.
